Cemetery deeds

A Cemetery Deed or Deed for Cemetery Lot is a document that conveys burial rights, or the right of Interment. A deed establishes the lot owners and lineage of direct heirs to the lot. 1. name of the Cemetery;
2. location of the cemetery lot(s) (row, area/section, plot number and grave or lot number);
3. amount paid;
4. name of person who purchased the lot(s);
5. name of lot owner/grantee
6. heirs, if applicable;
7. trustee and witness signatures; and

A Cemetery Deed must be signed and approved by the Hinckley Township Board of Trustees, witnessed and filed with the Township Fiscal Officer.

A Cemetery Deed may be purchased at your time of need. A Cemetery Deed may also be purchased in advance for pre-planning burial arrangements.
