Space reservations

[1]The Hinckley Township Events Calendars are powered by Google Calendar.

Hinckley Township has three spaces which are available to be reserved by township residents for private functions, community group meetings, and other similar purposes. These spaces include Brongers Park, the Town Hall, and the Township Administration Building's Board Room. The township Space Reservations calendar below is intended to provide residents with a quick overview of the availability of reservable township spaces.

Use the calendar below to check the date, time and space you require (all existing reservations appear as "busy" in a color that corresponds to the space as noted in the key below), and contact the Township Administration Building at 330-278-4181 to make a request. Unfortunately, requests cannot be made or confirmed online at this time.

The below calendar is provided exclusively as a service to residents and there is no guarantee that the calendar provides a full, accurate or up-to-date representation of all current reservations or openings.
