 - Proceeds benefitting Hinckley Elementary PTO

SHRED

(Gateway Records Management)

&

THREADS

(Simple Recycling)

Document shredding provides you with a great deal of peace of mind knowing that your information is properly destroyed and will never be compromised. When you use a trusted paper shredding service provider, you can be certain that every document is shredded into tiny irrecoverable pieces.

By using document shredding services, you are ensuring that less paper takes up space in landfills and more of it is recycled. You will have the joy of knowing that you are doing your part to protect the environment and your personal life.

Bring your confidential materials in bags or boxes directly to our shredding truck. You can stay and watch as your documents are raised to the shredder and completely destroyed in minutes.

We are excited to accept both cloth and hard goods this year!

Acceptable items include, but are not limited to: Bedding (sheets, pillow cases, blankets, comforters), belts, ties, books, coats & jackets, fashion accessories, handbags & purses, hats & gloves, kitchenware, shoes, sandals & slippers, socks, stuffed animals, table linens, tools, towels, toys, and undergarments.

Simple Recycling partners with businesses, schools, communities and non-profits around the country in diverting textile waste from landfills.

Bring your unwanted clothing, shoes, household linens and other textiles in a tied bag to this collection drive to be recycled or reused.
