Prevention and inspection

Even with the country setting and open spaces we have many small and large businesses in our Township. Currently over 150 private enterprises co-exist with the Hinckley Buzzards.

Prevention in our Schools, shops and Homes is everyone's job. We display posters and distribute, handouts. Without having a Fire escape plan (and practicing it) injury or death can continue to happen. So we urge you to hunt for hazards, keep electrical systems in good, updated condition, don't use extension cords as permanent wiring and DON'T overload outlets.

Although this web site is the official site for Hinckley Township, it is for informational purposes only. It is not the official record of Hinckley Township; the official records are maintained at the Administration Building.
